

Graphic & Web Designer

We're looking for a creative and dedicated individual to join our team.

Print Studio One and Three-Six North Marketing partners with clients to build their brands across physical and digital platforms, connecting people to products and services that enrich their lives.

The successful candidate would be part of an internal design team that works with local and international brands on a diverse range of projects—from websites and visual identities to physical print pieces and large format installations.

Who You Are:

- Enjoy working in a team environment.
- Positive attitude and genuine desire to understand and serve our clients.
- Great at establishing, developing and communicating your ideas.
- Highly creative and versatile—able to produce effective design solutions for diverse audiences.
- Proven ability to work well in a fast-paced environment and can handle multiple projects.

Knowledge & Skills:

- Excellent working knowledge of graphic design fundamentals and communications.
- Extensive experience in Adobe XD, InDesign, Illustrator and Photoshop.
- Critical thinking mindset and keen attention to detail.
- Degree or diploma in graphic design or similar program.
- Basic understanding of HTML, CSS and web development considered an asset.
- Experience in animation, videography and photography considered an asset.

We have a relaxed and positive atmosphere, a bright and open office environment, continually invest in training opportunities and technology, and provide complete healthcare & benefits package including weekly lunch options and snacks.

Please email your resume and portfolio stating why you would be a great teammate to:
