

Web Developer (Term)

Full time, 10 month term (March – December)

We're looking for an energetic and dedicated individual to join our team.

Print Studio One and Three-Six North Marketing partners with clients to build their brands across physical and digital platforms, connecting people to products and services that enrich their lives.

You will be joining a talented, innovative team working on creative projects that help build brands and make a difference.

Who You Are:

- Enjoy working in a team environment.
- Positive attitude and genuine desire to listen, understand and serve our clients.
- Strong communication skills (written and oral).
- Attention to detail, creative problem solving, quick learner, ability to multitask, highly organized.
- Strong computer skills with a desire to dig into the details and learn new software.
- 2+ years Web Development experience including WordPress, HTML 5, CSS, PHP, TWIG, LESS/SASS, Javascript, JQuery, SQL, and DNS knowledge
- Familiar with Figma and Adobe Creative Suite
- Server & IT Security knowledge considered an asset
- Degree or diploma in computer science or a related field considered an asset

Responsibilities:

- Work together with Project Managers and Designers to build, launch and support web projects
- Develop websites following desktop & mobile design mock-ups
- Update and edit sites, implement security protocols, optimize for mobile & SEO
- Provide technical guidance and recommendations for new/emerging technologies

We have a relaxed and positive atmosphere, a bright and open office environment, invest in training opportunities and technology, and provide a complete healthcare & benefits package including weekly lunch options and snacks.

Please email your resume and cover letter stating why you would be the best candidate to join our team:
